##Press Release##

Ivy Solid Waste & Recycling Center Transfer Station Closure

For Immediate Release

Charlottesville, VA – September 23, 2024

The Rivanna Solid Waste Authority is reporting that the transfer station at the Ivy Solid Waste & Recycling Center (ISWRC) at 4576 Dick Woods Road will be closing at 1:00p.m. on Monday, September 23, 2024 and will be closed all day on Tuesday, September 24, 2024 due to a mechanical issue at the landfill in Henrico County that receives trash shipped from the ISWRC transfer station. We hope to reopen the transfer station to the public on Wednesday, September 25, 2024. All other services at the ISWRC will remain open during this time, including vegetative and clean fill receipt and the Ivy Convenience/Recycling Center.

All trash received at the ISWRC transfer station is sent to a landfill in Henrico County and no trash is allowed to be kept at the ISWRC. We must stop receiving trash which is transferred to the landfill in Henrico County because of their inability to receive it due to a mechanical issue. Operations at the ISWRC transfer station will be resumed as soon as the issue at the receiving landfill is resolved.
